

EXCEPTIONAL GROWER CONTRACT AVAILABLE FOR 2008

Global demand for sunflower products keeps increasing right along with competition for available acres, so, CHS put together a 2008 growers contract to make it profitable to include sunflowers in your mix.

Growers with confectionery sunflowers under CHS contract next year will enjoy:

- Record high pricing with the potential to bring in up to \$450 per acre.
- A full production contract for the 2008 growing season.
- An Act of God clause as the standard.
- No basis or futures risk.
